Senator Tommy Williams Honored by Associated Builders & Contractors of Texas

THE WOODLANDS - State Senator Tommy Williams (R-The Woodlands) received the Free Enterprise Champion Award from the Associated Builders and Contractors of Texas at a recent award ceremony. Jon Fisher, President of ABC of Texas, presented the award in recognition of Williams' leadership role in defeating significant initiatives during the 81st legislative session.

"State Senator Tommy Williams blocked dangerous legislation proposed by personal injury trial lawyers," said Jon Fisher. "Williams' leadership role will help preserve our free enterprise philosophy, and keep Texas a great place to do business."

Associated Builders & Contractors of Texas is a construction industry leader committed to developing a safe workplace and a high-performance workforce through quality education and training.

"It's an honor to be recognized by a group advocating safety, craftsmanship and honorable management techniques in the workplace," stated Sen. Williams. "We played vigorous defense on several significant issues this session, and I am proud we were successful."
