-Texas Right to Life Issues 85th Legislative Scorecard-**

AUSTIN, TX (November 3, 2017)- Recently, Texas Right to Life (TRL) released its Pro-Life Scorecard for 2017 and announced that Senator Larry Taylor (R-Friendswood) had been selected as a 2017 Pro-Life Hero based on his voting record in the 85th legislative session.

Texas Right to Life awards the Pro-Life Hero designation to members of the House and Senate who actively support pro-life legislation through to passage. Senator Taylor has received a 100% pro-life rating from Texas Right to Life since his election to the Texas Senate in 2012.

"My commitment to pro-life issues has always been a top priority for me, and my voting record reflects my values and the values of many of my constituents," Senator Taylor said. "It is an honor to be recognized by Texas Right to Life for standing up for our smallest Texans".

Texas Right to Life said of Senator Taylor's selection, "during the regular session, Senator Taylor carried Senate Bill 20, the Pro-Life Health Insurance Reform Bill. Senator Taylor had already passed this bill twice, (in previous sessions). Because Senator Taylor had laid the groundwork on this bill, the Pro-Life Health Insurance Reform was passed during the special session."

Texas Right to Life is a nonpartisan pro-life organization committed to protecting life for the born and unborn. According to TRL, Senator Taylor was selected as a Pro-Life Hero for his work carrying pro-life insurance reform, which passed during the special session.

Senator Larry Taylor is a lifelong Texan and Baylor University graduate raised in Friendswood. He and his wife Kerri have three adult children and two grandchildren. Senator Taylor owns Truman Taylor Insurance Agency in Friendswood, an independent agency started by his father 55 years ago. Prior to his election to the Texas Senate in 2012, he served five terms in the Texas House of Representatives. Senator Taylor represents Senate District 11, comprised of portions of Brazoria, Galveston, and Harris Counties.
